- a** Min y Llan Tenants & Residents Association (Letterston)
- a** Steynton Community Group

You can claim up to £500 per year from ateb to help you...

Are you interested in starting a customer's group in your area?

You could be holding events such as fun days for the kids, organising trips for all the family or even creating a fund-raising event. Or perhaps you'd like to brighten up your community or immediate area? Your group could have lots of help & support from ateb. It doesn't have to be just ateb customers in your group either - you can share the workload with all your neighbours in your community.

You will need (& remember, ateb can help you with all of these):

- 3 voted-in people who are prepared to take responsibility for the money & some of the organisation of the group
- A group bank account
- The ability to keep basic records of any meetings and/or activities/trips/events etc that you'll have, to prove that you are actually doing things
- An outline of an event/excursion you're planning to do, with costs
- The intention to advertise & hold meetings and events open to everyone in your immediate community/street
- To keep in touch with ateb to secure your annual funds

For more info please phone Ailnor Evans **01437 774766/01437 763688** text or call me on **07500 446611** or email me at **ailnor.evans@atebgroup.co.uk**
